CARAVAN Warranty

CARAVAN

Warranty

Purchasing an extended warranty for your caravan is almost as important as purchasing the caravan itself.

Once the Manufacturer's warranty cover expires you are potentially exposed to significant costs of rectifying any mechanical or electrical breakdown.

As caravans get older, components are more likely to fail and it won't be just the cost of replacing a part, there'll be the labour charge of fitting it as well – it all adds up.

The option of choosing an Extended Warranty may reduce the financial impact of unexpected repairs.
